Subject: TEQIP-II: Acquiring the text-books, e-Journals and Software by Private Unaided Institutions.

Sir,

Private Unaided Institutions participating in the project TEQIP-II under sub-component 1.1 (Strengthening Institutions to Improve Learning Outcomes and Employability of Graduates), 1.2 (Scaling-up Post Graduate Education and Demand-driven R&D&I) & 1.2.1 (Establishing Centers of Excellence) may acquire the **text-books, e-Journals and Software** with the approval of the institutions' BoG, and under information to the respective SPFU.

Further, these institutions should ensure that the allocated funds be spent judiciously, covering all the envisaged activities under project for the private unaided institutions, so that the objectives of the project are achieved.

Moreover, it should be ensured that these institutions should follow scrupulously the set rules and procedure as laid down by the World Bank, while using the PMSS.

Yours faithfully,
