All project institutions and institutional TEQIP Coordinators

Sub: TEQIP: Revised Guidelines on International Travel - Clarification.

Sir/Madam,

Your kind attention is invited on the 'Revised Guidelines on International Travel', paragraph 3(c). It is clarified that in this paragraph authorities for approving international travel at the level of State institutions and Central institutions are indicated, however, the final authority for approving international travel after following the set procedure as described at 3(a) and 3(b) for all the institutions/entities is MHRD. It is further clarified that without approval of the final authority, an international travel under TEQIP by any person is non-eligible for booking under TEQIP account.
