Subject: Invitation for participation in 2017 7th International Conference on Power Systems

Dear Sir / Madam,

Greetings from the organizing committee of "2017 7th International Conference on Power Systems (ICPS-2017)" organized at **College of Engineering, Pune during 21st– 23rd December 2017.** I would like to take this opportunity to thank you for your overwhelming support to the conference.

The 7th ICPS 2017 received a huge response from over 300 elite institutes and industries across the globe. The interest of authors in the conference is recorded from the 450+ submissions received from 17 different countries. The frontier industries in the power and energy domain are supporting the conference technically and financially with great interest. Noteworthy industry participation is a unique feature of this conference. ICPS 2017 will witness around 400+ participants across the globe.

Apart from the high quality technical paper presentations, the **9 tutorials, 13 plenary talks and keynotes** by eminent academicians and industry professionals are worth attending. Also, the industry-academia sessions where experts from industries and academia share their experiences and panel discussion by experienced delegates from industry and academia is another reason for attending the conference.

On behalf of the organizing committee of ICPS 2017, it is my honor to invite you, your colleagues and your students to the register and attend the conference. We would appreciate if you could disseminate this information to your colleagues/students. Being one of the highly reputed institutes in power and energy domain, I invite massive participation from your institution.

The conference at a glance is enclosed. Please visit conference website www.icps2017.in for more details. In case you need further clarification, please feel free to contact me at secretariat@icps2017.in

Looking forward to meeting you at ICPS 2017 in Pune....!!!
